

## **EHS AUTUMN SHOW 2009 – REPORT**

It has been another excellent year with three very popular shows.

This Autumn Show had a record number of entries together with a number of new exhibitors. The weather has played games with crops, which meant that a number of them being early and others still to come. Traditional autumn exhibits of chrysanthemums for example are very sparse. Dahlias on the other hand were abundant. We also had good exhibits showing fruits and vegetables plus an excellent display of floral art. It is always encouraging to see the interesting exhibits entered by the children from toddlers to seniors. They seem to have a lot of fun producing them.

This year we had local beekeepers with a display on the importance of bees to the environment and crops. There was also a chocolatier with an excellent selection of products to tempt us all. We had our usual plant and garden products for sale from the trading hut plus home made jams and cards.

Visitors were able to refresh themselves with home made cakes whilst sitting and chatting with others.

Our President, Mrs Catherine Dann, presented prizes. The awards are as follows:

## **EHS AUTUMN SHOW 2009 – AWARDS**
